Token Access & Trust Utility Disclosure

Between Buyer and Tarbix Ecosystem (Trust-Governed)

Effective Date: 06/30/2025

This Token Purchase Agreement (“Agreement”) is entered into by and between the purchaser (“Buyer”, “you”) and the Tarbix Ecosystem, governed by the MarketPulse AI Corporate Trust, for the purchase of \$TARB tokens.

1. Nature of \$TARB Token

- \$TARB is a **utility token**.
- It **does not** represent equity, ownership, a claim to profits, or legal rights over the Trust or its assets.
- Token functionality includes access to curriculum, staking rewards, symbolic game logic, and ecosystem participation.

2. Purchaser Representations

You represent and warrant that:

- You are at least 18 years old or the age of majority in your jurisdiction.
- You understand and accept the risks associated with digital assets.
- You are not a resident of a jurisdiction where participation in such offerings is prohibited by law.
- You are acquiring \$TARB for personal utility use, not for speculative or investment purposes.

3. Finality of Purchase

- All purchases of \$TARB tokens are **final and non-refundable**.
- You acknowledge that token value is not guaranteed and may fluctuate based on market conditions and protocol development.
- No promise of resale, listing, or conversion to fiat is expressed or implied.

4. Trust-Based Structure

- The token is issued under a **non-statutory, perpetual trust** (MarketPulse AI Corporate Trust).
- The Trust holds control over token logic, staking mechanics, issuance pacing, and governance rights.
- There is **no traditional board or shareholders**. All control flows through legal trust governance.

5. Use of Proceeds

- Proceeds from token purchases may be allocated to:
 - Trust & legal operations
 - Curriculum and platform development
 - Marketing and awareness
 - Liquidity pools
- Exact usage breakdown is outlined transparently in the Tarbix Whitepaper.

6. Staking & Utility

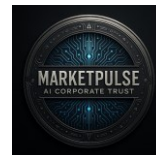

- Ownership of \$TARB does not entitle you to dividends or passive income.
- Staking rewards are offered as functional incentives, subject to protocol conditions and trust limits.
- Rewards are not guaranteed and may adjust based on economic logic and symbolic card triggers.

Token Access & Trust Utility Disclosure

7. Symbolic Card/NFT Integration

- Tokens may be used to acquire NFTs which offer access benefits, staking multipliers, or logic triggers.
- These NFTs are symbolic assets and carry no ownership value over real-world goods unless explicitly stated.

8. Assumption of Risk

You acknowledge and agree that:

- The Tarbix system is experimental and may evolve.
- Blockchain-based assets are subject to hacks, forks, loss of access, and regulatory shifts.
- You are responsible for safely storing your wallet keys and passwords.

9. No Partnership or Guarantee

- This Agreement does not form a partnership, joint venture, or employment relationship.
- No guarantee of listing, return, or profit is implied or promised.
- The token is a **participatory access asset**, not a financial product.

10. Governing Law

- This Agreement shall be governed by the laws of **Oregon, United States**.
- Disputes will be resolved through arbitration if not otherwise resolved amicably.

11. Entire Agreement

This Agreement, alongside the Participation Disclosure and Privacy Law Statement, constitutes the full understanding between the parties.

By purchasing \$TARB, you agree to these terms and affirm your understanding of its utility, symbolic role, and trust-governed issuance.
